MESSAGE #2556 from the Blessed Mother November 19, 2003

My daughter, My children must not give up, for this is what Satan wants all around this world. So, today, I ask that you do the opposite of what Satan is telling you. I ask that you continue to gather and pray, pray from your hearts. I ask that you keep your focus on Jesus so you have peace through all trials and persecution.

Dear children, do not give in to the ways of the world. Do not give in to those who are attacking those groups that I have formed. Do not give in to compromise, follow Jesus and listen, listen to your Most Holy Pope. Obey God's commandments and live, live your faith. Do not listen to those who are making up their own rules to fit their lifestyle.

Abortion is on the rise because many are not obeying all of God's commandments. Much evil is taking place all around this world because many are giving in to temptation. Many do not want to pick up their cross and follow Jesus. Many today preach the truth, but do not live it. This world is in danger because many are disobeying God's laws. Many are choosing to live in sin because they do not want to repent and amend their ways. What will man do, when God shakes this earth? The earth is trembling now. Many earthly changes are happening due to sin and disobedience to Almighty God.

God is truly warning His children, yet so many are still sleeping. Many today are ignoring the signs of these times. Many messages are being given, but man is refusing to give their life to God. This time of mercy will not last, so do not be fooled by those who are refusing to take heed to the Gospel. Do not be fooled by those who are making up their own rules. Do not be fooled by those who are refusing to live all of God's commandments.

Be not foolish children, respond to my motherly requests. Pray the Rosary and come to Mass as often as you can. Pray, fast and make reparation for sin. Do penance and be truly sorry for your sins. Stay close to Jesus' Most Sacred Heart so you are not tempted to take the easier road. Keep your souls focused on my Son and not on the ways of the world. Make daily sacrifices and do all that you can to make the Gospel known. Do not grow lax in serving my Son, reach out to all your brothers and sisters. Pray for my Priests daily, for many are being attacked. Many souls need prayer, so gather and pray, pray together. Each time you pray, I will truly be with you. I will be with you through all trials and storms, so stay calm and continue to do what God and I are asking of you.

Now, please be humble, trusting children and go forth in harmony and in love. The way is truly forward, so persevere and remain strong, strong for Jesus. Amen.

MESSAGE #2564 from the Blessed Mother December 12, 2003

My daughter, It is necessary for my children to be on guard, for the evil one is sly. So please tell my children to pray more and stay close, close to Jesus' Most Sacred Heart. Tell my children to armor themselves each new day with the protection God has provided for them.

The Holy Angels and Saints are truly there for those who ask for their assistance, so remember to call upon St. Michael and all the Archangels. Remember to ask for their protection and assistance. Remember to invite all the Holy Angels and Saints into your homes. The enemy will flee if you pray and do what I am asking of you.

Protection is truly needed in this world because so much evil roams this earth. Satan is strong and he truly has many followers who are listening to him. Satan is strong and he is truly attacking those who are being disobedient to God. If my children continue to pick and choose which commandments to obey, much more evil will enter this world. This is why it is so important to obey all of God's commandments.

Today, I ask that my children examine their conscience and then ask themselves, am I obeying each commandment? One must be honest and then work on those areas where they are weak. One must ask God for assistance, as it is impossible to get strong on your own. Each child needs God's assistance and loving guidance. Each child needs to examine their conscience in order to make a thorough confession. Without a repentive heart, change cannot occur.

Now, please be obedient children and trust in God. Repent and amend your ways and do daily penance for your sins. Ask God to forgive you for any sins you have committed and then do your part so you live a holy life. Do your part so you are not tempted to take the easier road. Commitment is truly needed, so please be submissive to God's Holy Will.

This is the time to reform your ways and to live your faith. So be wise and take heed to this message so evil does not destroy your soul. Be wise, obey God and use the protection that has been provided for each of you. Amen.

MESSAGE #2619 from the Blessed Mother April 26, 2004

My daughter, Many today are not obeying God's Commandments. Abortion is murder and it is not acceptable in God's eyes. All of Heaven weeps when they see so many innocent lives being destroyed. It is not man's choice, who should live and who should die. Abortion is on the rise due to disobedience to God's laws.

All must take a stand for life and make the Gospel known. If man continues to destroy life, they will see much more destruction. God will not have mercy on those who are choosing to live in mortal sin. God will not have mercy on those who know the truth and who refuse to defend life.

Bishops must not remain silent. They must shepherd their flock and make the truth known. They must let the world know that abortion is murder. They must defend life and teach others what is morally right and what is morally wrong. Bishops must teach the truth to all their brothers and sisters.

Dear Bishops, there is no longer time to be ignoring what is happening around this world. Each time an abortion is performed, the earth trembles more. It is time now to use your hands and voice for Christ. It is time for you to wake your flock, for many are living in mortal sin. Many are making up their own rules and are picking and choosing which Commandments to obey.

Dear Bishops, many, many Catholics are sleeping and they need to hear the truth. It is your turn now to go to the pulpit and wake your flock. Make the Ten Commandments known and pray, pray for an end to abortion. Make the word repent known, for many are living in mortal sin. Be firm and let the world know that hell exists. Sin is sin and you can no longer be silent.

I am addressing Bishops now because many Priests are sleeping. God truly needs your assistance, so please do not ignore Heaven's call. There cannot be world peace when abortion is on the rise. There cannot be unity when so many are not living their Catholic Faith. Jesus' wounds are bleeding profusely, so please, please do your part for the salvation of souls. Pick up your cross and be willing to be persecuted for making the Gospel known. Pick up your staff and be true leaders.

The greatest sin in this world is abortion, so please do not be silent. Defend life by truly using your hands and voice for Christ. I will assist you, so please do not be afraid. I will assist you, for I am truly here now to wake those who are sleeping. I am your heavenly mother, so please do not ignore my messages that are being given around this world. The truth must be made known, for there is no longer time to be silent.

This world is in danger, so please be true shepherds and guide your flock. Time is running out, so please do not delay. Time moves quickly, so please pray and then do your part for the salvation of souls. Amen.

MESSAGE #2630 from the Blessed Mother May 18, 2004

My daughter, Those who believe in God must obey His laws. Those who are breaking God's Commandments are not living their faith. Those who are promoting abortion are breaking all of God's Commandments. One cannot say they love God when they are choosing to destroy life.

How I weep when I see so many children making up their own rules. I weep because many today are taking the easier road. So many souls are in danger because they are refusing to obey Almighty God. So many innocent children are being slaughtered in their mother's womb, yet many remain silent.

I say to my children , those who support, endorse or practice abortion will suffer, suffer tremendously. God will not have mercy on those who are choosing death instead of life. Abortion is a horrible sin and many, many will have to answer to God. I say to my children, repent of your wicked ways. Stop killing, stop fighting and turn your lives around. Stop listening to Satan, for he is full of lies. Abortion and contraception is truly destroying the family.

Today, I must warn my children, for so many are giving in to Satan. If man does not repent and take a stand for life, God's Justice will prevail soon. The sky will darken and the sun will fall upon this earth. Arrows of fire will scorch this earth and each abortion site will be destroyed. Many will try to run, but they will have nowhere to hide.

It is time to wake up and take a stand for life. It is time to take heed to what your Most Holy Pope is telling you. He has been chosen for these times, so please, please listen to Him. Do not give in to those leaders who are promoting abortion. Do not go to those doctors who believe in abortion and contraception. They are not listening to God. They are not obeying God's Commandments. They do not have healing hands, for they are taking part in destroying life.

I have been warning my children for some time now, yet many are still disobeying God. America, you are being warned. Abortion is the greatest sin and destroyer of peace. If this world does not convert, you will face serious consequences. If man continues to destroy life, the earth will tremble, tremble more.

Your prayers are truly needed. Your hands and voice can make a difference in this darkened world. Let the world know that abortion, euthanasia and the practice of homosexuality are wrong. Let the world know by your prayers and example that God truly exists.

It is time now to protect the family, so please take part in saving souls. Amen.

MESSAGE #2642 from the Blessed Mother June 21, 2004

MESSAGE #2646 from the Blessed Mother June 28, 2004

My daughter, I am here. I am here for all my children, but I cannot help those who are choosing darkness. I cannot help those who are refusing to obey God's Commandments.

There is still time for repentance, but my children must decide now. They must turn to God and amend their ways before it's too late. They must accept God's love and mercy and truly live, live the Gospel. God will truly shower His mercy upon those who repent and who turn to Him.

My dear children, you cannot live in sin and say you know the truth. Sin is what separates you from God. Sin is darkness and it pulls you deeper, deeper into the pit. So many today do not understand the darkness that surrounds them. So many continue to live in sin because they do not want to obey all of God's Commandments.

I say to my children, wake up, wake up now. Obey God and turn your lives around. The day will come and you will each see the state of your soul. You will see how many wounds you have added to Jesus' Most Precious Body. What a terrible time this will be for those who are choosing darkness. Without a repentant heart, many will die of fright. Many will not be able to withstand knowing the truth about the condition of their souls. Many will have but little time to repent and turn their lives around.

Do not wait for the warning, repent and prepare your souls now. Turn away from sin and live a life that is pleasing to God. Examine your conscience each new day and then ask God to assist you so you can turn your life around. God will truly assist those who come to Him. God will forgive those who go to Confession. God will forgive those who are truly sorry for their sins and who do penance.

God is a forgiving God, but you must also do your part. You must repent and obey each Commandment. You must examine your conscience and truly live, live in God's light. You must pray and stay close to Jesus' Most Sacred Heart. You must be honest children and not make excuses for the way you are living. You must believe in God and choose the path that will lead you to Heaven.

Again I say to you, you must not deny the existence of God the Father. You must be true believers and build your relationship now with Jesus. You must pray every day and cleanse your soul regularly. You must convert and abandon your evil ways. Every day you must examine your conscience and turn away from sin. You must convert, convert now and not wait for tomorrow. Each new day is an opportunity to move closer, closer to God. You must use the protection God has given you and pray, pray more. The time will come and each child will see their soul. Will you be ready? Will your soul be in a state of grace?

Now, please take heed to this message and begin now to live a pure and holy life. Remain faithful to what the Holy Spirit is directing you to do. Come to Mass, cleanse your soul and live, live the Gospel. Live each day for Jesus and open your hearts to His love and mercy. Do all that I am asking of you and you will have peace through all trials and storms. Abandon yourself to God and He will truly help you and guide you on this earth.

The decision is yours, so please be responsible and choose light instead of darkness. Be faithful followers of Jesus and live, live each day for Jesus Christ. Amen.

MESSAGE #2678 from the Blessed Mother September 24, 2004

My daughter, This world is in need of much protection, as much evil lingers on this earth. If my children truly want to be protected, then they must take refuge in Our Heart. They must live their consecration and obey all of God's Commandments. They must not compromise with the world, as the world is picking and choosing which Commandments to obey.

All of God's Commandments must be obeyed or one cannot live a pure and holy life. It is time to make God's Commandments known around this world. It is time to examine your conscience and to work on those areas where you are weak. Sin has become widespread because many have forgotten the importance of obeying each Commandment. Sin has become widespread due to lack of prayer and disobedience to Almighty God. Sin is truly pulling my children away from God, so please each of you do your part and make God's Commandments known. Let the world know that each soul must obey each Commandment in order to live a pure and holy life.

The time is now, so please be willing to teach those who are choosing darkness. Be willing to do your part by truly, truly obeying God's laws. Many blessings and protection will be given to those who honor and obey Almighty God. Amen.

MESSAGE #2685 from the Blessed Mother October 13, 2004

My daughter, Those leaders who are not for life will not protect this country; their hearts are cold and they are disobeying God's Commandments.

Those who believe in abortion are being fooled by Satan. Satan loves death and will do all that he can to destroy life. Life is precious in God's eyes and one cannot pick and choose which Commandments to obey. One cannot decide who should live and who should die. Abortion is the greatest sin in this world. Abortion is murder and is not acceptable in God's eyes.

Please, dear children, do not be fooled by Satan. Do not give in to his evil ways, for he is the serpent of lies. Do the opposite of what Satan is telling you and be willing to stand up for the truth. All faiths must respect life. All must join hands and pray for an end to abortion. All must live God's laws and be loving towards one another.

Please take time now to examine your conscience. Take time to pray and repent of all wrong doing. Take time to converse with God so that you truly come to know the truth. The truth, dear children, will be revealed to you, but you in turn must spend time with God.

Today, I ask that you fast and pray so more choose life instead of death upon your soul. Pray for your world leaders. Pray for your Priests so they truly shepherd their flock. Today is a day to pray, for hell truly exists. Many souls are on the wrong path so pray, pray throughout the day.

I am here to guide you, so please listen, obey God and live, live each Commandment. Amen.

MESSAGE #2705 from the Blessed Mother December 1, 2004

My daughter, Please continue to write each time I come to you, for these messages are important. These messages are the Gospel and they must be made known so more repent and come to know Our Dear Lord, Jesus. All must wake up from their slumber and turn, turn their lives around.

My daughter, so many today are going deeper and deeper into darkness. Many are being fooled by the evil one and are giving in to sin and temptation. Sins of impurity have become widespread. So much today is being accepted and this truly crucifies my Son.

How can my children say they love God when they are disobeying God's Commandments? If you truly love Jesus, then you must imitate Him. You must not give in to your desires. You must obey each Commandment.

Due to disobedience to God's laws, many are not living a pure and holy life. Many are neglecting prayer because they have lost their dedication to Almighty God. So many are falling deeper into darkness because they are giving in to the world. If man continues to turn away from God, then this world will be severely punished. Many more wars will break out and disease will spread like fire. Many, many will suffer if man does not turn to God and ask for His guidance.

Each of you must live the Word of God. You must embrace His love and mercy. You must turn away from sin and obey, obey each Commandment. You must repent of your sins and return to the Sacraments. You must not try to walk alone. You must trust and be obedient to God.

It is time now to let go of your selfish desires. It is time to take a look at your life and then change in those areas that are truly offending God. There is no longer time to be distant from God. Time is moving quickly, so please be true children of God and be an example towards one another.

This world cannot change unless each of you are willing to do your part. This world will become darker if you choose to live in sin, so please, please respond and climb God's holy mountain with trust and hope in your hearts. Amen.

MESSAGE #2765 from the Blessed Mother April 15, 2005

My daughter, How I weep when I see so many souls choosing darkness. I weep because so many souls continue to reject God's love and mercy. What will it take to wake mankind?

Please repent and amend your ways now. Come to know Jesus so you come to know the truth. Stop ignoring these heavenly pleas, for they are tools to help you on this earth. Stop picking and choosing which Commandments to obey; obey each Commandment. Cleanse your soul more regularly so you have the grace needed to obey each Commandment. Receive the Sacraments often so you become strong, strong in your faith.

These messages are your wake up call, so please respond with an open heart. Respond, so that you can truly grow in purity and holiness. Turn to Jesus each new day and allow Him to bring you closer to His Most Sacred Heart. Trust in His love and mercy so you are fed the whole truth. Be light to this world and live, live the truth. Be humble, loving children and receive the Sacraments.

My Son's mercy will flow upon those who turn to Him with a repentant heart. My Son will heal your wounds if you turn to Him and trust in His unending love. Please be little children and trust, trust in God's love for you. God awaits your return, so trust in His love and give your heart unconditionally to Him.

Please respond now and believe, believe that God and I truly, truly love you. Amen.

MESSAGE #2871 from the Blessed Mother March 29, 2006

My daughter, God is using you in a powerful way, so be obedient and listen to the instruction given to you. Listen and obey and many new doors will open. This is the time to move forward, so please do all that God and I are asking of you.

My children must obey God and live, live the Gospel. My children must change right now and live in God's peace. Without change and love in my children's hearts, the world will see a greater war. Violence and bloodshed will rule the streets if my children do not obey all of God's Commandments. Each of you must simplify your lives so you have more time to be with God. So many today are ignoring the Gospel, they are picking and choosing which Commandments to obey.

Please, please obey God and pray, pray more. Let go of fear. Let go of your prideful ways. Let go, so that I, your mother, can assist you. Let go and give yourselves totally to God, my Son will then truly guide you and you will have peace and joy. You cannot live my messages until you let go of your desires.

Now, please pray and pick up your cross and be willing to be persecuted for living your faith. God sees all things, so please be humble, loving children. Be loving and pray and adore Our Lord. Amen.

MESSAGE #2933 from the Blessed Mother November 6, 2006

My daughter, If my children speak the truth, they must also live the Gospel. They must live pure and holy lives. They must obey all of God's Commandments.

Many today are not obeying all of God's Commandments. Many are falling into sin because they are giving in to worldly ways. If you are picking and choosing which Commandments to follow, you will give in to temptation. You will be entangled by the serpents tail if you are living a dishonest life. Dear children, you cannot preach the truth and then choose to live a sinful life. You must trust in God and follow His holy way. Satan will tempt each of you and without God's grace and guidance, you will give in to the enemy.

Please, dear children, armor yourselves with the truth and live, live the Gospel. Stay close to Jesus' Most Sacred Heart and receive the Sacraments as often as you can. Cleanse your soul regularly so you have the grace needed to live a holy life. Do not think you can survive in the world on your own; you need God's assistance, you need God's mercy and grace. You need to turn to God and use the protection He has given you on this earth. You cannot live a lukewarm life. Evil has become widespread and you need to be on guard each new day.

I am here to teach my children, but you in turn must obey. You must pray and live the Gospel and turn to God each new day. You will not be deceived if you respond wholeheartedly. Practice all that I am teaching you and keep your focus on Jesus. The world is no longer safe and many are falling deeper into the pit. Please wake up and live, live your Catholic Faith.

Now, please put your armor on and live pure, holy lives consecrated to Almighty God. Amen.

Be truly sorry for your sins and cleanse your soul regularly. Live each Commandment. Live your Catholic Faith.

The hour is growing shorter, so please respond to my motherly call. Respond and trust in My Son. Amen.

MESSAGE #3046 from the Blessed Mother January 4, 2008

My daughter, Change cannot happen if my children do not repent and turn to God. Many today do not trust in God, they are relying on their wealth and are living a lukewarm life.

How I weep for those who are not obeying God's Commandments. Abortion is the greatest sin in this world and you each need to take a stand for life. You cannot say you love God if you are disobeying His Commandments. Life is precious in God's eyes, so please do not allow the world to fool you. Do not listen to those who are refusing to take a stand on life.

The world will become darker if man continues to give in to Satan. You must protect life and believe that it is God who decides who should live or die. I am warning my children that punishment is near for those who are destroying life. Obey each Commandment and armor yourselves with purity, humility and love. Satan is full of lies, so please rebuke him.

I say to all my children, repent, get down on your knees and pray. Pick up your cross and bind your Rosaries around the world. Prayer is your protection and without more prayer, you will see darker days. America, prepare, prepare now. Turn to God and allow Him to purify your soul. Amen.

MESSAGE #3066 from the Blessed Mother March 11, 2008

My daughter, Please continue to do what God and I are asking of you. It is so important to write each time I come to you. These messages are a gift from God, so please do not hide them in your heart. All must repent and amend their lives before it's too late. A response is needed, needed now. Do not wait for the warning, for God is warning His children now.

The world will suffer greatly if man continues to disobey God's laws. When you choose to live in sin, you are not listening to God. God is truly trying to wake His children, that is why so many messages have been given. Are you listening with an open heart? Are you truly living these messages? Are you making changes in your life? Are you truly obeying all of God's Commandments?

Please examine your conscience and then do what God is asking of you. Be responsible, loving children and do your part for the salvation of souls. Imitate My Son and light the way. Get down on your knees and pray and then listen, listen to God. God has a message for each of you, but you must be willing to change.

You must live the Gospel and truly live your faith. You cannot change God's words, you must obey them. You cannot make up your own rules to support your lifestyle. You must armor yourselves with the truth and obey each Commandment. You are only fooling yourself if you are picking and choosing which Commandment to obey. You must live in harmony with God.

Please be pure and begin today to move closer to God. Through prayer, God will guide you, so please, please dear children, love God above all else. Amen.
